### WALK SAVED A SHUT OUT

Boise, 5; Salt Lake, 1, WSpecial to The Tribune, BGISE, Ida., Sept. 9.—A walk saved

the Elders from a shut-out today. Hausen had earned first and Umpire Smith thinking Gimlin had been hit on the irm, gave him first. Delmas advanced Hausen to third and the Salt Lake catcher beat the ball after Weaver's sensa-jonal running catch of Bruyetie's long

ional running catch of Bruyetic's long
fly.

The game was replete with sensational
plays, Weaver being responsible for two
of them. One of his running catches was
made with the ball coming over his
shoulder while Weaver was tearing holes
in the field out near the fence in one of
the fastest sprints he ever made. He
also made a side running catch that
hrought the fans to their feet. Clark
made a stop that was remarkably clever.
Starkell's pitching was fully up to the
ecord he has established during the past
week. His batting and fielding was also
of a superior order. The manner in
which he has blossomed out lately has
greatly surprised and pleased the local
fans. No man on the Bolse team has
made good firster than he since he got
into form. Sait Lake played a steady
game, but was clearly outclassed from
the start. Hausen was the only one who
could connect with any degree of satisfaction with Starkell's twisters. The
score:

## SAMUELSON WINS 20-MILE RACE

### Floyd McFarland Did Not Ride.

Compelled to Drop Out--Downing Gets One.

Sensational Finish in One-Mile "Pro" Race, With Downing and Samuelson Inches Apart.

"Billy" Samuelson, the "unpaced king," last night demonstrated that he is douch at following a motor, when, after a twenty-mile grind, he won the threeornered race by a wide margin. The contest was somewhat of a disappointment, owing to the fact that Floyd McFarland suffered a puncture early in the race and was compelled to desist. Hardy Downing and "Sam" were left to fight it out alone which they did with honors about even which they did with honors about even. Just as the final sprint began, one lap from the finish. Downing's frost the exploded and the plucky San Jose youth was compelled to finish on a flat wheel. Samuelson and easy sailing and crossed the tape nearly twenty yards to the front. The time for the twenty miles was 65 minutes 12.5% seconds.

The feature of the evening was the final of the one-mile handicap, professional, event. Billy Samoelson again copped first money, although he was hard pressed by Dewning. The men finished inches apart and to the spectators it looked like a dead heat. However, the Provo youth was in front and the judges gave him first place. Falmer was third, Stevens fourth and Hopper fifth. Time, 2332-5.

Carl Redman won the five-mile race for the amateurs in pretty style, after riding a heady race. Redman was forced to go it alone, his brother having dropped out at the end of the first mile. Castro and West seemed to have the race at their mercy, but Redman outgeneraled the pair and won first place in a drive. Castro came second. West third and Ellswood fourth. Time, 11:672-5.

Iver Redman won the holf-mile sprint, beating West by a half-wheel. Carl Redman was third. Time, 1:21-5.
